

St. Michael's Catholic Women's League presents

MY SON, OUR SAVIOR!

An all new meditation program on the Life of Christ through the eyes of Mary will be presented on **Palm Sunday, April 1st at 3 pm at St. Michael's church.** As with last year's *Journey with Christ*, we will listen to the Word of God and meditate on the Life of Christ with sacred songs composed by Bach, Brahms, Mozart, Reger, Stainer and others. *My Son, Our Savior* provides a unique angle on the life of Christ via fictional but realistic expectations and experience of our Blessed Mother Mary. Mary is one of us and mother of all the baptized. As we journey with Mary on her experience with Jesus Christ from Annunciation to Pentecost, we can surely get to know Christ on a deeper level.

The entire program takes about an hour and a half. It's a wonderful way to prepare oneself for the coming Easter Triduum.

St. Michael's church is pleased and honoured to have professional musicians, **Valerie Nunn, Gordon Burnett** and **Margaret Metcalfe**, joining us to deliver the program. The Catholic Women's League is also ecstatic that our parish priest **Rev. Cornelius O'Mahony** will be singing solo and ensemble works as tenor for this program. St. Michael's parishioners, **Therese Lee, Gordon Lam, Cristina Brunello-Prudencio, Claris Lam, Janice Lam, Michael Brunello-Prudencio**, all wonderful musicians, will also be participating in *My Son, Our Savior*.

There is no charge for admission. Donations for our much needed parish renovation and the diocesan seminarians will be greatly appreciated. St. Michael's Church is celebrating its 50th Anniversary. The building's last major renovation happened over 20 years ago. The church is in need of a major renovation in the flooring and the improvement of the sound system. In the Diocese of Hamilton, there are currently 16 men responding their call to prepare for service as priests. Two of them were students at our parish school. These seminarians have the opportunity to nurture their gifts in a setting where they are mentored by religious and priests who serve as their spiritual guides and teachers. The Catholic Women's League has the tradition of giving financial support to our church and would like to encourage parishioners to join in our efforts to contribute to the mission of training our future spiritual leaders and better our church to serve the needs of fellow Catholics. We thank you for your consideration of this mission.
